We are looking for a few sponsors to help our team. We are a non-profit organization. Our swimmers come from all over the NW Austin/Cedar Park/Leander area ranging in age from 4 to 17. We have about 200 families (over 300 swimmers) actively involved on our team. Each year AMST scholarships several swimmers in financial need and your sponsorship helps us provide this important community service.

Our coach is Jamee Stewart. She has led our team to win the Division Championship nine out of the last 17 years. She holds a BS and MS in Physical Education. She has been the head of the Physical Education Department at ACC for the past 29 years. Two of her many accomplishments include being Masters Champion in the butterfly and distance freestyle events and swimming the English Channel. This is her 22nd year to coach the Barracudas.

Our goal as an organization is to provide a competitive outlet and disciplined training program for many whom it would not normally be available, while protecting the dignity of the younger and less experienced swimmers and providing balanced competition for all.
